Calipso Back Cushion

SKU CPCUSCM10001

Product Info

sizes options: width **27.5"** (70cm) or **39"** (99cm), height **13"** (33cm) Calipso is offered in three different modules (120x120 cm, 180x120 cm, and 240x120 cm), each of which consists of a base made with natural teak slats, in varying sizes. The aluminum frame is particularly discreet, so much so that the lounge seats appear to be 'floating'. The soft cushions are available in three sizes (100x100 cm, 170x100 cm, and 200x100 cm) and are 'free' of the base they rest on, which is larger than the cushions themselves in order to allow the utmost freedom in positioning each element, according to need. Calipso offers a new way to enjoy outdoor living with quality, flexibility, style and comfort, effortlessly meeting the needs of residential spaces as well as the more sophisticated requirements of contract and hotel settings.
