

Giati Furniture

Apogee Umbrella 12' Octagonal

SKU ACO-12

Product Info

- Apogee umbrellas are defined by their classic teak hub system, hand turned from laminated teak for lasting durability.
- Base options in durable powder coated aluminum: Round shape, Square shape, or Square on Rollers.
- All base options include integrated nylon lifts to provide air space for drying beneath.
- Finial options in Copper, Chrome, or Teak.
- Umbrella canopy in awning-grade [Oceano fabric by Giati Elements](#) or COM.
- Arm pockets are lined and triple reinforced to protect the outer fabric from punctures.
- Custom options include additional Appliqué / Trims, Valances, Linings, Double Wind Venting, etc.
- Components connect with a "Quick-Lock" attachment system, allowing for effortless replacement of individual parts should damage occur.
- Our furniture covers are recommended to protect from natural outdoor elements and to improve longevity. Learn more about [Care and Maintenance](#)
