

Giati Furniture

Next Century Umbrella 9' Hexagonal

SKU NCT-9

Product Info

- Next Century umbrellas are defined by their durable cast brass hub system, available in brass color (NCT-9) or with chrome plating (NCT-9C).
- Base options in durable powder coated aluminum: Round shape, Square shape, or Square on Rollers.
- All base options include integrated nylon lifts to provide air space for drying beneath.
- Finial options in Copper, Chrome, or Teak.
- Umbrella canopy in awning-grade [Oceano fabric by Giati Elements](#) or COM.
- Arm pockets are lined and triple reinforced to protect the outer fabric from punctures.
- Custom options include additional Appliqué / Trims, Valances, Linings, Double Wind Venting, etc.
- Components connect with a simple pop rivet system, allowing for effortless replacement of individual parts should damage occur.
- Our furniture covers are recommended to protect from natural outdoor elements and to improve longevity. Learn more about [Care and Maintenance](#)
