

Giati Furniture

Next Century Umbrella 10' Hexagonal

SKU NCT-10

Product Info

- Next Century umbrellas are defined by their durable cast brass hub system, available in brass color (NCT-10) or with chrome plating (NCT-10C).
- Base options in durable powder coated aluminum: Round shape, Square shape, or Square on Rollers.
- All base options include integrated nylon lifts to provide air space for drying beneath.
- Finial options in Copper, Chrome, or Teak.
- Umbrella canopy in awning-grade Oceano fabric by Giati Elements or COM.
- \bullet Arm pockets are lined and triple reinforced to protect the outer $\overline{\mbox{fabric}}$ from punctures.
- Custom options include additional Appliqué / Trims, Valances, Linings, Double Wind Venting, etc.
- Components connect with a simple pop rivet system, allowing for effortless replacement of individual parts should damage occur.
- Our furniture covers are recommended to protect from natural outdoor elements and to improve longevity. Learn more about <u>Care and Maintenance</u>
