PRODUCT INFO

- Product displayed in our suggested finish. Made to order options are available in our wide variety of teak colors
- Frame designed using premium sourced teak from Indonesia. Unfinished Teak will weather naturally and change color over time due to exterior elements. Review our [Teak Care and Maintenance](#) for more information
- Construction using laminated teak. A natural process of expansion and contraction may result in small splits/cracks. This is not a defect, nor does it affect the structural integrity. Small splits release internal stresses, making the wood stronger
- Our furniture covers are highly recommended to protect furniture from natural outdoor elements and to improve longevity. Learn more about [Care and Maintenance](#)
