

Walters Outdoor

Bartolo Pavilion

SKU BA20025

Product Info

- Product displayed in our suggested finish. Made to order options are available in our wide variety of powder coat colors
- Frame designed in a durable powder coated aluminum with faux teak metal slats
- This pavilion can be custom configured to have up to 1, 2 or 3 slat walls
- The vaulted ceiling can come with or without the scalloped edge fabric overhang
- Built in seating or lounge options may be added such as benches, sectional sofas, and chaises. Woven Fiber or Rope panels also available as a custom option
- Pavilion will ship knocked-down. Assembly instructions will be included with delivery
- For ground mounted pavilions, we recommend installation be performed by a licensed contractor. Hardware for ground mounting to be provided by installer based on the appropriate hardware for the flooring where the Pavilion will be installed
- We recommend ground mounting, especially in windy environments
