

Longshore

Walters™

Collection

Reminiscent of play in shadows, the Longshore collection's dense weave adds texture to any environment. Offering a generous sofa sectional and complimentary pieces, Longshore can easily be planned for any space large or small.

Designer

Jeffrey Bennett, Nicholas Dodziuk and Christopher Skodi

Jeffrey Bennett is an accomplished designer who has won accolades in multiple disciplines. Jeffrey has worked with B&B Italia, as well as such high-profile European groups as Boffi, Cappellini and Ligne Roset.

Why we Love it...

Quality

Just like the brilliance of a pulley system, the powder coated aluminum frame and rope offers a reinforced frame while keeping and open design pattern.

Design

The exclusive rope pattern is distinct enough to stand alone but comes alive with the play of shadow and depth when combined with upholstery creating comfort and style.

Perfect For

Where you relax... where you play... or where you may want to work...

Inside or Out.
