

Cape

Walters™

Collection

With its modular planning and low profile aesthetics, Cape was designed to compliment spaces small to large. The collection consists of a variety of stand alone modules that allow for a range of configurations with the flexibility to adjust as needed. The fully upholstered design provides a welcome softness while its mass provides an architectural quality.

Designer

Jeffrey Bennett, Nicholas Dodziuk and Christopher Skodi

Jeffrey Bennett is an accomplished designer who has won accolades in multiple disciplines.

Jeffrey has worked with B&B Italia, as well as such high-profile European groups as Boffi, Cappellini and Ligne Roset. He has also been successful as a multi-disciplinary consultant for clients as diverse as Teknion® Bernhardt, Boeing, Herman Miller, Knoll, Michael Kors, Mercedes Benz, Northwest Airlines and DWR.

Why we Love it...

Quality

The shaped multi-density polyurethane and wrapped poly fiber structure offers great comfort & support on a clean PCA connecting platform.

Design

A pure linear form that speaks through its comfort and applied fabric giving a clean modern silhouette inside or poolside.

Perfect For

Where you relax... where you play... or where you may want to work...

Inside or Out.
