Laurel

BY JEFFREY BERNETT

LAUREL

Collection

Framed in finely carved solid teak, the Laurel Collection by Jeffrey Bennett is a stylish option for both indoor and outdoor environments. Featuring simplified lines that flow along muted curves, the collection appeals to the iconic silhouettes of the Danish Modern movement. This midcentury influence imbues the collection with an inviting warmth, while also delivering outstanding durability.

This six-piece collection offers seating options for both dining and lounging. Each piece is crafted with a solid grade-A teak frame, a mesh sling structure, and is topped with upholstered cushions. Quality materials and thoughtful construction promote longevity, while the relaxed posture and clean lines bring an undeniable charm.
