BY JEFFREY BEERS

ARBOR

Collection

The Regatta collection by Jeffrey Beers is an exciting exploration of maritime design. Influenced by Jeffrey's love of the sea and extensive experience in resort design, the collection combines the best of modernity and nautical elements in a luxurious and timeless way.

The pieces boast beautiful faux teak accents reminiscent of a speedboat, while the fluid lines and sleek finishes create a look that is both stunning and seductive. The collection features pieces designed with the utmost attention to detail, from the faux teak accents to the carefully crafted curves of the furniture.
