COAST

Collection

Go off grid- Introducing the new Coast Outdoor Furniture Collection by Walters, an ideal selection to infuse any outdoor space with a sense of seaside leisure.

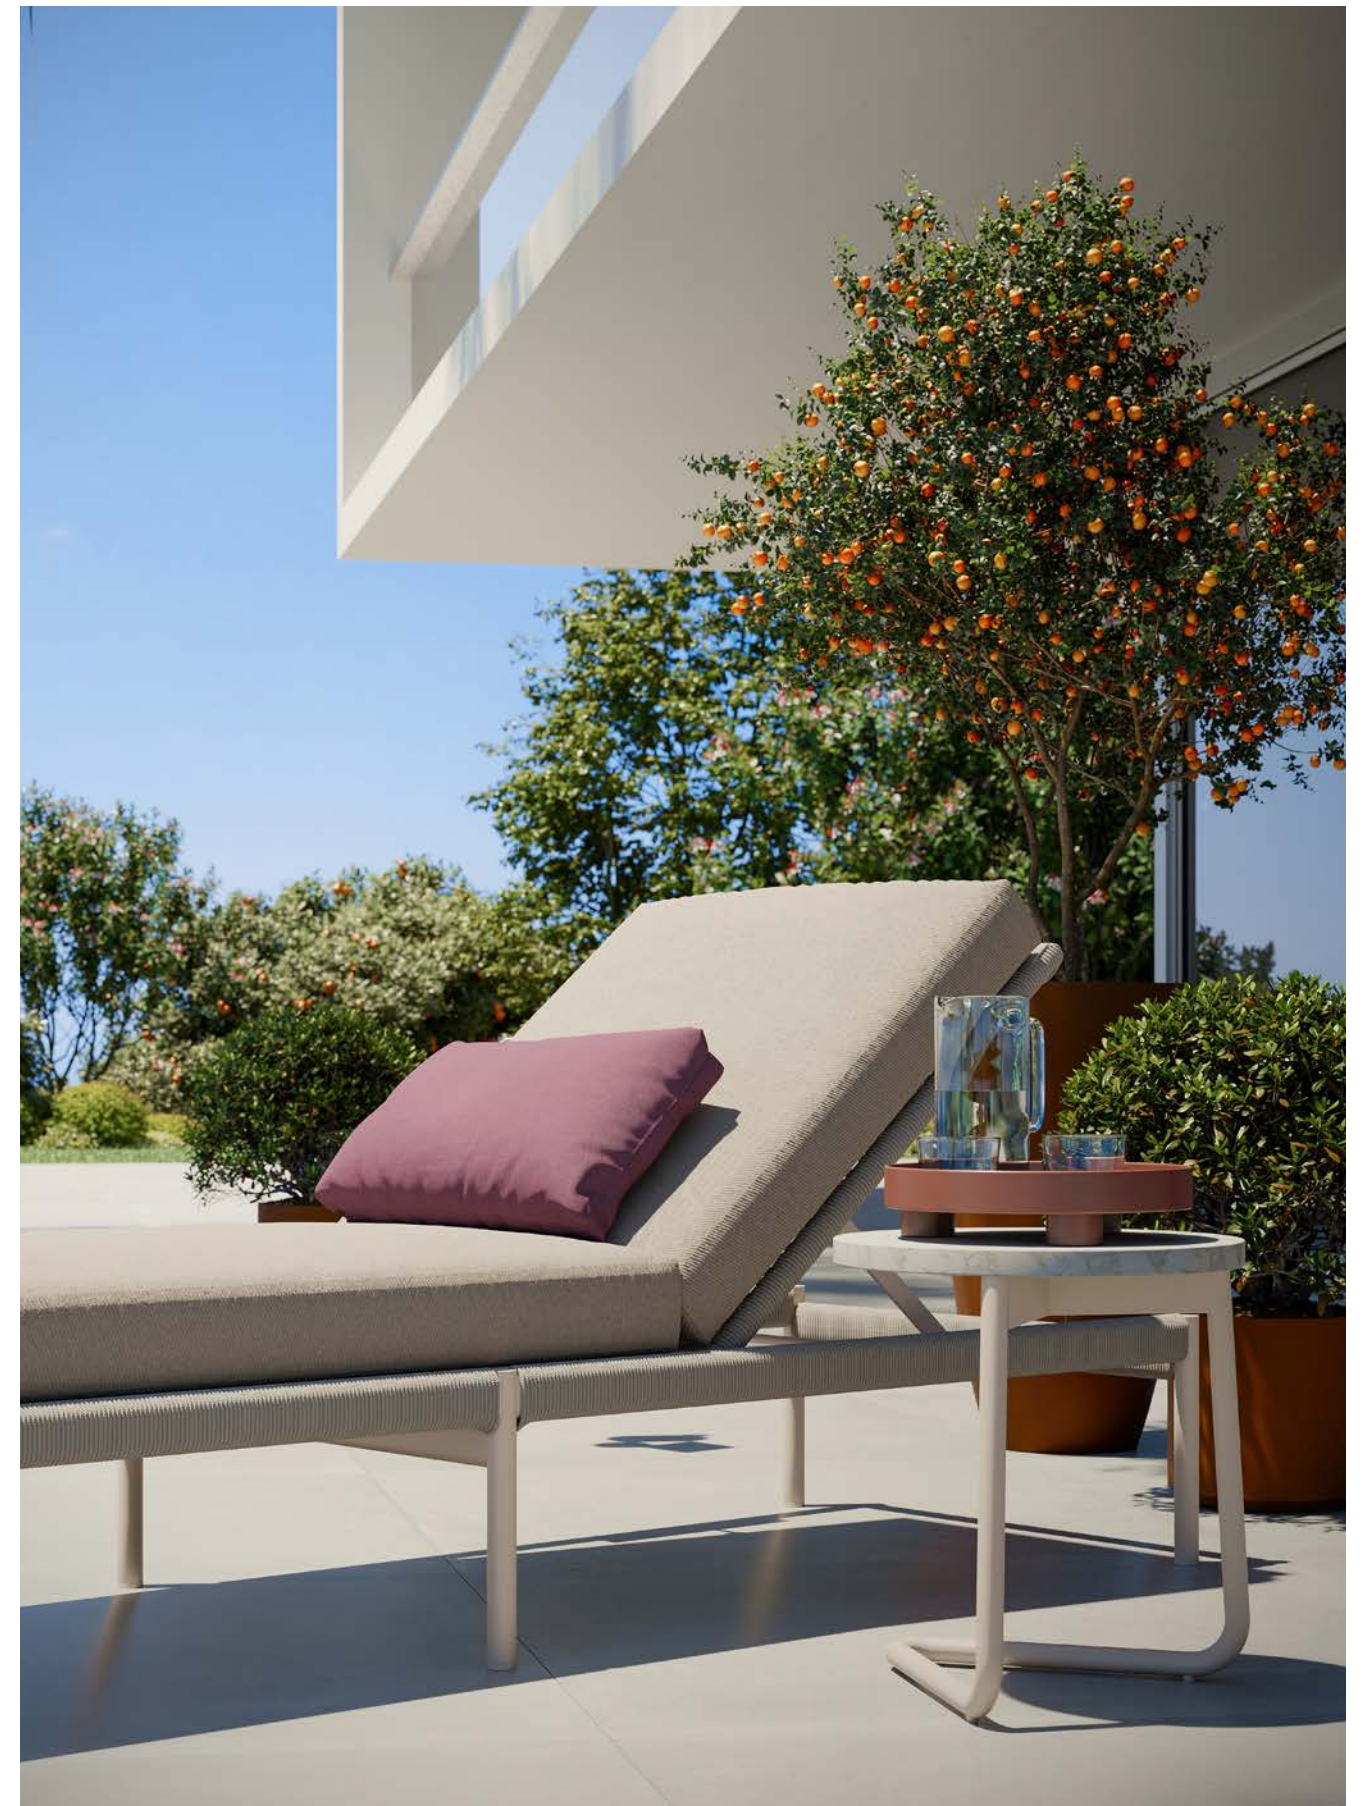

Coast is defined by its intricate woven rope designs, which form grid-like patterns stretching across the frames, reminiscent of fishing nets left out to dry. The weave alternates between tightly woven seats and loose, open weave backs, creating a variety of texture and tactile richness for an extra dimension of appeal.

Each piece is supported by powder coated aluminum frames that are resistant to rust and corrosion, while remaining lightweight and easy to move to suit your needs. The all-weather rope is made from high quality materials and is resistant against wear even in the most demanding environments, while luxurious, fast-drying outdoor cushions promise unmatched comfort.

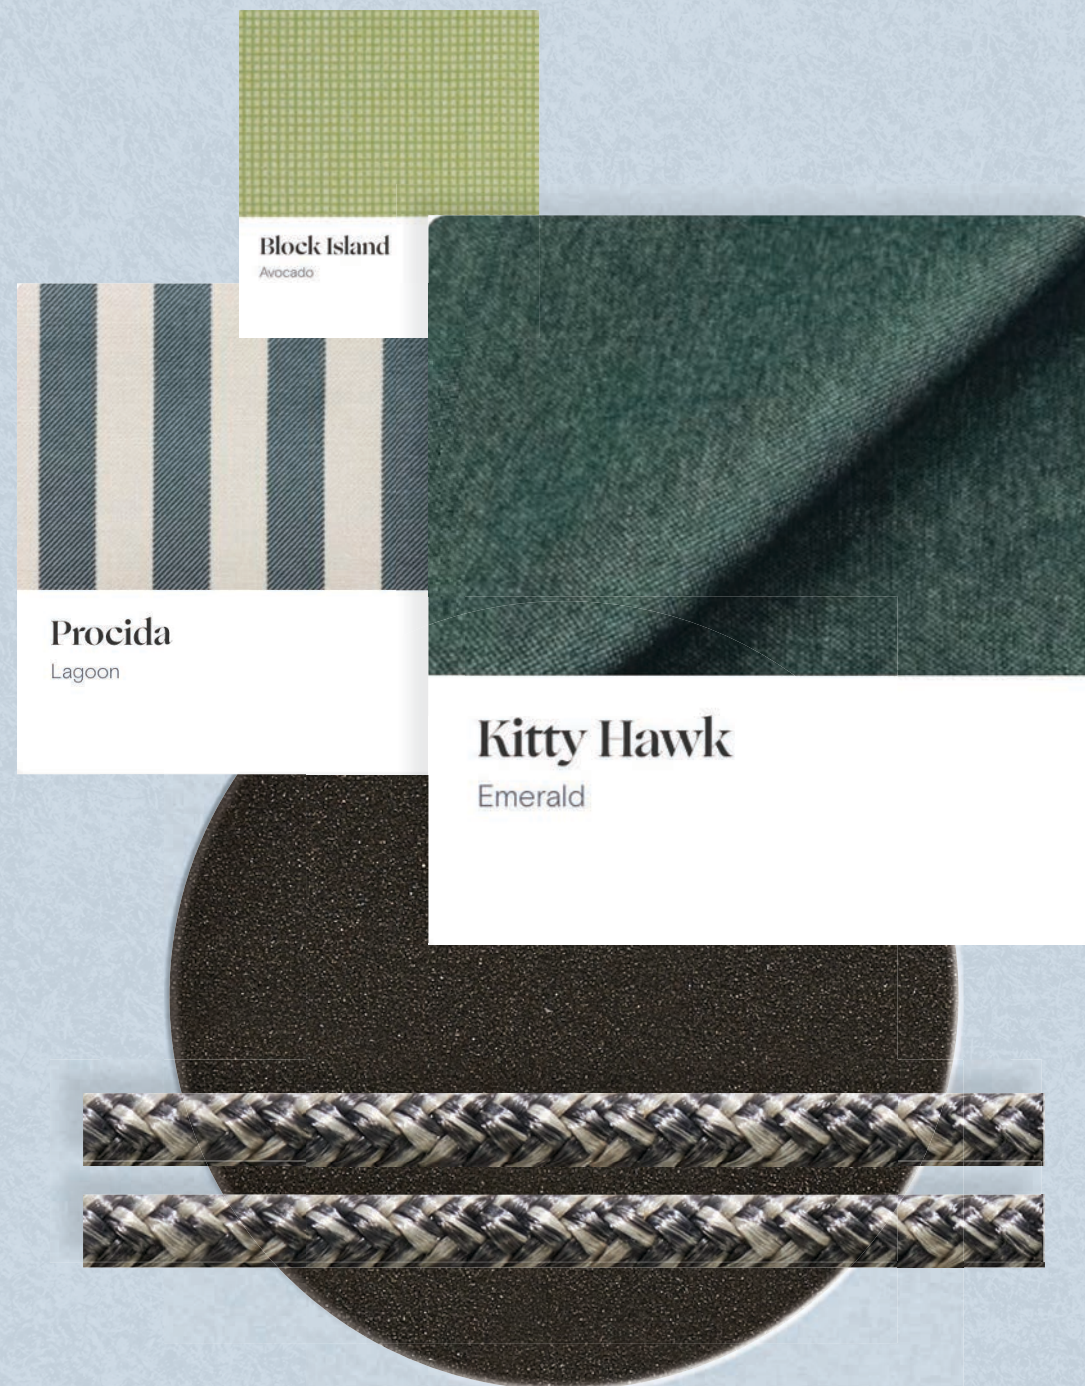

Wherever you are, the Coast Collection brings the seaside relaxation to you.
