THE | WICKER WORKS

The Wicker Works began with a single chair. A chair comprised of braided wicker, the finest raw materials and the intention to last a lifetime. Since 1972, our team has designed unique yet timeless furnishings, each handmade with the highest quality materials.

Made of the sustainable, natural materials and handwoven with care, our designs offer a diverse grouping of textures and styles. This diversity in design paired with an emphasis on traditional craftsmanship has made our furniture a mainstay of luxury estates, both public and private. Experience lasting comfort and learn why our name has become synonymous with timeless wicker design.
