Thoughtfully Crafted for Comfort + Well-Being: Walters' Furniture Collections

As the premier provider of furniture designed specifically for senior living communities, Walters offers an extensive range of high-performance and outdoor options. Our durable and visually appealing furniture caters to all tastes, from timeless classics to cutting-edge designs. Each piece is thoughtfully crafted with ergonomics in mind, providing enduring comfort and sophistication for seniors.

Our top-of-the-line materials, such as powder coated aluminum, all-weather wicker, and contract grade fabrics, ensure both safety and longevity with minimal maintenance required. With year-round suitability for all climates, our furniture is resistant to weather elements, making it easy to clean and maintain.

Walters **Materials**

At Walters, we offer a wide selection of quality materials and finishes for outdoor furniture, from teak and powder-coated aluminum to all-weather resin. Teak is a durable hardwood, renowned for its strength and resistance to the elements. Teak furniture is known for its natural beauty, and its light brown color will age to a silver-gray patina over time. Teak is a great choice for outdoor furniture because it is naturally resistant to rot and insect damage, and it is highly durable.

Powder-coated aluminum is another great choice for outdoor furniture. Aluminum furniture is lightweight, and the powder-coated finish provides protection from the elements and is available in a range of colors. Aluminum furniture is also very durable and resistant to rust, making it a great choice for outdoor use. All-weather resin is a popular choice for outdoor furniture. Resin furniture is lightweight and durable, and it is available in a range of colors and styles. It is a great choice for outdoor furniture because it is highly resistant to fading, cracking, and chipping.

Our unique rope weave design can only be found at Walters. And if you're not sure which material or finish is right for you, you can order free samples of our materials and finishes right from our website.

We have a wide variety of standard collections and offer customizations to fit your specific needs.
