Outdoor Cover Services

Walters™

Our outdoor covers are custom made to fit your furniture.

A well-fitting furniture cover offers additional protection to both prolong the life and preserve the look of your outdoor furnishings.

At Giati, we specialize in custom outdoor covers designed specifically for your furniture, each made to order to ensure the perfect fit.

Materials Matter. *Crafted with marine-grade Hydrofend® fabric.*

- Ultra water repellent
- Breathable and mold resistant
- Lightweight yet durable
- Colorfast against sunfading
- Suitable for extreme cold
- Completely bleach cleanable
- Made in the USA

Design Details. *Made with ease of use in mind.*

- Oversized fit with adjustable nylon straps to create a tailored silhouette without the hassle.
- Easy release buckles connect beneath the furniture for full coverage protection, no matter the wind or rain.

Why Walters.

With decades of experience, our team has the knowledge to provide informed solutions and the capacity to accommodate orders of all sizes, for both residential and hospitality applications

Care & Maintenance.

- Machine wash only in cold water with small amount of detergent and/or bleach, if needed.
- For built up dirt, we recommend cleaning the surface with a soft bristle brush and soapy water (do not scrub forcefully).
- Air dry only, do not tumble dry or apply heat.
