

Sable

The Sable Collection uses durable aluminum for strength and lightness. It works just as well indoors as it does outdoors, making it easy to style on terraces, patios, or in living rooms.

Each piece shows clean lines and a sculptural shape. The Chaise offers space to relax. The Sofa, Lounge Chair, and Sofa Chair bring comfort with a modern look. The Coffee Table and Side Table add balance with strong, simple bases.

Sable stands up to the weather yet looks refined inside the home. It’s a smart choice for residences, resorts, and hospitality spaces that need both style and lasting quality. **Design by Walters.**
